Annie,

Thanks very much to you, Betsy, and Della for making time for me this morning, giving me an education in Cocaine Testing 101, and showing me around the lab. I have some good news for you: the defendant has accepted our plea offer, so there will be no trial next week (and your lab will not lose half its staff for two days next week!).

I hope you have a good weekend, and I am sure that we will work together again in the future.

Best,

Todd
